

Candidate Update December 30th 2009

Please note you must be a fully registered candidate with Search Associates and you must have been invited to the fair in order to attend.

You cannot attend the Sydney Fair you have not gone through the registration process and received an invitation from your associate.

(Becoming registered means you have completed the online application, have had online references submitted, sent us the signed agreement & paid the registration fee.)

All registered candidates need to check in with Search Associates staff at either 1:00 to 5:00pm on January 2nd **OR** from 7:30am-11:00am on January 3rd. You will receive a registration pack and also a name badge. **You must wear this badge at all times as recruiters have been told not to interview people without these badges.**

If you are attending any of the IB seminars, please make sure you have picked up your registration pack before these begin.

Don't forget your copies of CV's and to dress ready for interviews. We look forward to seeing you at the fair.
