

## **Search Associates Sydney-January Recruitment Fair 3-5 January 2010**

### **General Information**

The Sydney-January Fair is organized by Rob Graham. This Fair is for an invited list of quality international schools and appropriate candidates. The fair is designed for experienced, top teachers from Australia, New Zealand and around the world who are looking for positions in highly regarded international schools. The numbers in attendance are expected to be about 160 candidates and 40 schools.

The schools recruiting at this fair come from a wide variety of locations worldwide, but schools from Asia and The Middle East are expected to form the majority. Search Associates-registered candidates, of all nationalities and all standard specialist fields in schools, are welcome to request an invitation to attend the Sydney-January 2010 Fair.

### **Recruiters**

Interested recruiters/schools should read the Recruiter-specific Sydney-Jan 2010 Fair information and contact Rob Graham Email: [admin@search-associates.com.au](mailto:admin@search-associates.com.au)

### **Candidates**

Candidates must be registered with a branch of Search Associates if they wish to request an invitation to attend the Sydney January 2010 Recruitment Fair.

- Candidates who are already registered** with Search Associates should notify their Search sponsor of their interest in this fair and request an invitation.
- Candidates who have been registered with Search Associates in the past** should re-register with the same associate and request an invitation to this fair.
- Candidates who are new to Search and wish to attend the Sydney Fair** should register with Rob Graham. Please email [admin@search-associates.com.au](mailto:admin@search-associates.com.au) for information.

**All** candidates who are interested in attending the Sydney-January 2010 Recruitment Fair should read the Candidate-specific Sydney-Jan 2010 Fair information.

All candidates need to be free to attend the candidate orientation on 3 January 2010, the interview sign-up session, and the following days for possible interviews. Candidates should arrange travel to enable arrival early 3 January 2010 and departure not before the evening of 5 January 2010.
