ABOUT OUR SCHOOL

Canadian International School of Phnom Penh (CIS) is an Alberta-accredited, International Baccalaureate (IB) World School offering a high-quality education backed by internationally respected diplomas. With two purpose-built campuses in the heart of Phnom Penh, CIS provides students from Nursery to Grade 12 with high-quality programs and world-class facilities that support diverse needs, interests, and aspirations.

Home to approximately 1,000 students representing 36 nationalities, including Cambodia, China, the United States, Korea, Australia, Canada, and Japan, CIS fosters a vibrant international community.

Grounded in Canadian values, CIS delivers a dynamic and future-focused education. Students engage in a comprehensive core curriculum alongside specialized STEM, Language, Fine Arts, and Athletics programs within an inclusive environment that supports academic excellence and social-emotional development.

We offer the IB Primary Years Programme (PYP) framework, the Alberta High School Diploma, and the IB Diploma Programme (DP), providing students with the highest standards of international education. CIS diplomas are fully recognized by the Ministry of Education, Youth and Sport as equivalent to the Cambodian National High School Diploma.

CIS is a fully accredited member of the Council of International Schools (CIS), reflecting our commitment to delivering high-quality international education, student well-being and safeguarding, and continuous improvement. Granted by the French Ministry of Foreign Affairs, CIS was also the first school in Cambodia to receive the LabelFrancÉducation seal in recognition of our Bilingual Program.
