OUR COMMUNITY

Overview

The American United School (AUS) in Sabah Al Salem, Kuwait, is a dynamic school community. Priding itself as a community of learners fostering creativity, collaboration, and academic growth, AUS provides a nurturing environment where students from diverse backgrounds thrive. The school mission is to enhance learning through technology and its vision of inspiring lifelong learners and responsible global citizens underscore its dedication to holistic education.

Established in 2014, AUS has grown into a vibrant community with over 1,250 students from Prekindergarten through Grade 12, with 50 nationalities represented, and reflecting the broader Kuwaiti community. AUS is proud of its strong sense of community, where faculty, administrators, students, and families work together to create a supportive learning environment. Teachers are highly qualified, many with advanced degrees, and they are trusted to innovate and excel, backed by a variety of professional development opportunities.

The school boasts modern facilities designed for Elementary, Middle and High School divisions, and supports a wide range of academic and extracurricular pursuits, enabling students to explore their passions both in and out of the classroom. AUS students are inspired to learn through a pedagogy that emphasizes collaboration and student agency, motivating them towards academic and personal growth. From competitive athletics to robotics and fine arts, AUS provides a platform for students to excel and develop leadership skills while also learning to explore and celebrate their own identities and those of their diverse group of peers.

AUS was founded to provide an educational option that stands apart from other local schools for its commitment to academic excellence, global citizenship and providing a holistic education. Recognizing that its students will be the next generation of global leaders, AUS aims to be an educational environment that is innovative, energetic and constantly evolving, providing students with various opportunities to explore their talents and interests and learn about global citizenship. The faculty, administrators and trustees of AUS are united in their values and they work together to create a school community that is supportive, creative and purposeful.

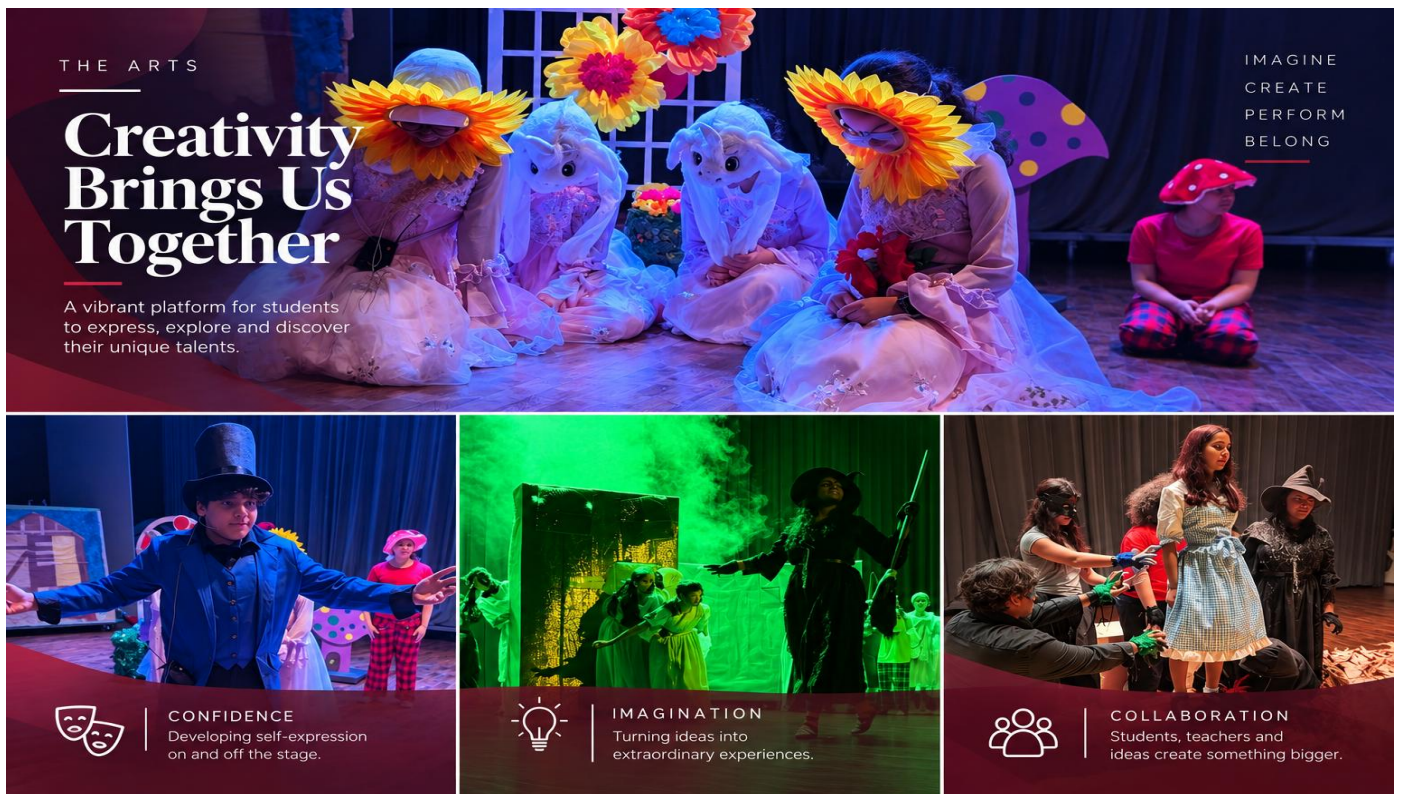

A community of learners fostering creativity, collaboration, and academic growth.

ACADEMIC EXPERIENCE

Excellence in Teaching and Learning

Through a high-quality American curriculum aligned with international standards, Middle School students engage in rigorous academics while exploring opportunities in the arts, athletics, extracurricular activities, and areas such as robotics. The Middle School Homeroom program provides dedicated time for targeted academic intervention, enrichment, and student support. In alignment with AUS's Strategic Plan, the Middle School advances academic rigor, global competitiveness, and meaningful student engagement. Together, these experiences help students develop the knowledge, skills, confidence, and global perspective needed for success in high school and beyond.

COMMUNITY

A Cohesive and Collaborative School Culture

Students and adults alike express a strong sense of community and a close-knit environment. Parents, students and faculty are committed to the school and are eager to work in partnership with the Administration and Board to build on its existing mission and strategic priorities towards an intentionally positive, inclusive, cohesive and collaborative learning community. Operating in Kuwait requires a nuanced understanding of local customs and traditions, and balancing the American curriculum with respect for Kuwaiti culture and values is essential.

Governance and Leadership

AUS is supported by a Board of Trustees that provides strategic guidance and works alongside school leadership to uphold the school's mission, vision and strategic priorities. The Board also plays an active role in school improvement and accreditation.

Living and Working in Kuwait

Kuwait offers international educators the opportunity to live and work in a diverse, multicultural community while experiencing the culture and traditions of the Arabian Gulf. Kuwait offers numerous shopping and dining options, making it a highly convenient and comfortable place to live. Internally, Kuwait is very safe with low crime and pleasant weather during the winter months.
